

**FRIDAY, JUNE 17, 2016  
1:00 PM - 6:30 PM**

**UCSD DIVISION OF GASTROENTEROLOGY  
10<sup>TH</sup> ANNUAL  
RESEARCH SYMPOSIUM**

**“Dietary Effects on Gut Signaling:  
Diet, Microbiome, and GI”**

We have secured participation of internationally renowned experts from diverse disciplines to cover issues related to phenotyping patients, creating bioprofile and refined animal models used for research related to inflammatory bowel disease, celiac disease and other conditions.

Our target audience includes translational investigators in gastroenterology and hepatology as well as basic scientists.

**LOCATION**

Medical Education  
and Telemedicine  
Building Auditorium  
UC San Diego  
School of Medicine  
Campus
